Breathe Again – The Radio Show on Star 1310AM

NORFOLK, VA - Breathe Again Magazine announces another platform to reach women. Breathe Again- *The Radio Show*. The show will be hosted by Nicole Cleveland, author, motivational speaker, after the affair expert and founder of www.breatheagainmagazine.com

Breathe Again Magazine, an electronic free magazine for women, is the culmination of introspection, self-evaluation and determination. Founded by Norfolk resident Nicole Cleveland as a response to personal events in her own life, the magazine is intended to serve as a forum for women in every stage of crisis – to inspire, encourage and motivate them to overcome events by sharing their real life obstacles and triumphs – and to serve as a support mechanism for other women in crisis. “Women always seem to be able to relate to each other,” says Cleveland, “whether they’re fast food workers or professionals.”

Like the magazine, *Breathe Again – The Radio Show* will interview women that have overcome adversity. “We all have a story to tell” says Cleveland “and someone needs to hear your story.”

Dale Murray, programming director at Star 1310 thought the idea of bringing *Breathe Again – The Radio Show* to the lineup was a perfect match. “It adds content for women to our mix of programming and Nicole Cleveland is a bright and phenomenal woman.” says Murray.

Nicole is on a mission to ensure women are no longer suffering in silence. By using the airwaves, internet and speaking engagements, she is spreading her message. She is excited that she now has another platform for her message.

“My goal is to let women know that, someone somewhere knows how you feel. If they made it, you can too. If I made it, you can too. You are not alone” declares Cleveland

STAR 1310 is home to the very popular "Yolanda Adams Morning show with Brother Larry Jones & Marcus Wiley, "The Spirit" with Coco Brother and the "Melrick Bogier Radio Show". The station was also voted Radio Station of the Year in 2008 by the Stellar Awards.

Listen to the show every Saturday at 7:30am on 1310 AM or stream online – www.star1310.com

"I am both humbled and honored to be on Star 1310 each week."
